

Appliance Warranty Registration Form

All appliance warranties are offered through the manufacturer, not through Brite Homes.

Homeowner, submitting this Product Registration Form will complete 2 items:

- 1) Updates the warranty start date to match the home closing date,
- 2) Application of the three-year warranty when an upgraded appliance package has been purchased. (Samsung determines this.)

Homeowner, please include a copy of your **Closing Document*** (showing the Home Closing Date) with this Appliance Warranty Registration form and email to: SamsungBuilderB2B@sea.samsung.com

**A copy of the Closing Document is required as verification to update the unit(s) warranty start date. If the Home Closing Date is left blank, and a copy of the Closing Document is not submitted at the time of Unit Registration, the Date of Manufacture will be applied.*
