

SOLAR PANEL SYSTEM

*****NOTE: Not every Brite Home has a Solar Panel System installed*****

*****This only applies if you paid for the Solar Panel Option*****

Homeowner: When you close on your new Brite Home, it is *your responsibility* to contact the Solar Panel Installer - 15 Light Years to complete the interconnection process and turn the solar panel system on.

Contact info for the Solar Panel Installer - 15 Light Years:

- solar@15lightyears.com
- 855-438-1515

Acts of God such as lightning strikes are NOT covered under the warranty for the solar panel system. It is highly recommended that you have insurance coverage and a surge protector installed for your solar panel system. These are not provided by Brite Homes.

If warranty is needed, please submit a ticket through the [Brite Homes Warranty Module](#).

The warranty standards can be found on our website: BriteHomes.com
